

# LOCAL DIVE THAILAND

## **The Junk Itinerary**

### **6 Nights, 19 Dives including up to 4 sunset/night dives**

Board at either Phuket or Khao Lak at 6:00pm

The 'Junk' Cruise Director will schedule up to 4 dives per day; 3 day dives and either a sunset or a night dive.

The diving day has a typical schedule as follows:

Light Breakfast followed by a briefing & Dive 1

Full Breakfast, relaxation followed by briefing & Dive 2

Lunch, relaxation followed by briefing & Dive 3

Dinner will be served either before or after the sunset/night dive

Day 1 and Day 7 are reserved for embarkation and disembarkation, there will be no diving on these days. For the final day aboard we schedule 3 dives to allow plenty of time for off-gassing before disembarkation and your flight home. The Cruise Director is happy to listen to requests from guests to visit or remain at certain sites and providing it is possible and the schedule allows, then guest's requests are respected.

Typically, you will spend a few days around the Similan islands before heading North to Koh Bon, Koh Tachai and Richelieu Rock.

### **4 Nights, 14 dives including up to 3 sunset/night dives**

Is much the same as above except on the final day you will disembark at Khao Lak or Phuket following two morning dives usually at the two tin mining wrecks close to Khao Lak.
