

LOCAL DIVE THAILAND

The Phinisi Similan Islands Itinerary

6 Nights

The following is a sample itinerary of where you might dive during your Similan Islands live aboard safari. Weather permitting, every trip will include dives in the Similan Island, Koh Bon, Koh Tachai, Richelieu Rock and Khao Lak wrecks.

We wish to show you the very best diving but a number of factors can determine where we visit. Weather, tides, how busy a site is with other dive vessels all play a part in the Cruise Director's decision of which route the yacht takes. The safety of all on board is paramount and we always do our best in offering diving at alternate locations. The Cruise Director is happy to listen to requests from guests to visit or remain at certain sites and providing it is possible and the schedule allows, then guest's requests are respected.

Schedule Your Cruise Director will schedule up to 4 dives per day; 3 day dives and either a sunset or a night dive.

The diving day has a typical schedule as follows:

- Light Breakfast followed by a briefing & Dive 1
- Full Breakfast, relaxation followed by briefing & Dive 2
- Lunch, relaxation followed by briefing & Dive 3
- Snack, relaxation, followed by briefing & Dive 4
- Dinner (if Night Dive, it will be after dinner)

Day 1 and Day 7 are reserved for embarkation and disembarkation; there will be no diving on these days. For the final day aboard we schedule 3 dives to allow plenty of time for off-gassing before disembarkation and your flight home. The Cruise Director is happy to listen to requests from guests to visit or remain at certain sites and providing it is possible and the schedule allows, then guest's requests are respected.

4 Nights

The 4 night itinerary will be much the same except obviously less days. The Phinisi will try to cover the same dive sights but for sure all of the top dive sites will be covered
